Benefits of Membership

We meet the second Friday of every month except July and August at 10:00 a.m. at The Peoples Bank Lake Oconee Branch. Monthly programs include demonstrations by artists, opportunities for critique of your work, collaborative exercises and challenges. Members receive email announcements about upcoming meetings and Guild sponsored events, including workshops and field trips. Members who are practicing artists may apply to display their art and demonstrate their craft at Guild sponsored events and in area banks. Members may have their websites linked to our site. All members can participate in a variety of volunteer activities throughout the year. Annual membership is based on a calendar year beginning in January. New members who join after October 1 are grandfathered into the next year.
